Maximum Current Draw: 12.5 Amp.
Power Source: 115 volts, 60Hz

Benefits

- Large variety of coffee blends with the unique Packet System* (only available on model with Packet System)
- 12 oz. Zuma brewer that eliminates filter paper
- Low daily maintenance: fill and empty in less than 5 minutes a day
- Holds up to 65 ten ounce cups of coffee between refills of the coffee dispenser
- Consistently great tasting coffee, cup after cup
- Whipped hot chocolate and cafe mocha
- Hot water available
- Controls coffee costs. Operates on free-vend or with VKI coin system
- No more wasted or burnt coffee; no coffee pots to clean
- System is ready to serve 24 hours a day
- Allows a space for merchandising

Note: Operates with approved grind coffees only.
